

Sinclair Broadcasting's decision to force their stations to air an anti-Kerry documentary days before the election is a clear abuse of the public airwaves.

Sinclair uses the public airwaves free of charge, and is obligated by law to serve the public interest. I ask that the FCC act swiftly to stop Sinclair's abuse of the public airwaves.

Sinclair's actions show why we need to strengthen media ownership rules, not weaken them. They show why the license renewal process needs to involve more than a returned postcard. Thank you.
